

2024 Page Annual Conference

Mike Dougherty
Chief Executive Officer and
Co-Founder, Remix AI

Mike Dougherty is the Chief Executive Officer and Co-Founder of Remix AI, the first social app for AI creation. He has over 20 years of experience with consumer technology and digital media.

Prior to Remix AI, he was CEO and co-founder of Jelli (acquired by iHeartMedia), a social audio and advertising platform reaching hundreds of millions of people. Before this he was the head of

business development and strategy at Tellme, a speech recognition platform (acquired by Microsoft), and Loudeye, a global digital music platform (acquired by Nokia). Mike was also COO/CFO of Outdoorsy, an online marketplace for outdoor experiences. Dougherty is named on 9 issued US technology patents and is an avid collector of generative and AI digital art.

Dougherty has appeared on CNBC's Squawk Box and NBC Press:Here, and at TEDxPaloAlto, TEDxSF, NAB, CES, Digital Hollywood, Intel's CEO Summit, The Paley Center, RAIN, Radio Ink's Convergence, NARM, as guest lecturer at Stanford Law School's "Art & the Law" course, and he was named a Power Player by All Access.
